Simon I have just confirmed the restaurant. With regards to the transport, I can arrange two vans from the Marina at 7.30 pm. The vehicles can drop them off 300 mtrs away from the castle. The guests have to walk for about 10 minutes. Once at the castle they have to go to the ticket office and let them know that they have a dinner reservation (reservation made under the name of TE MANU) at IL CONVENTO. There is a lift that goes at the top of the castle and some steps before reaching the restaurant.

Subject: RESTAURANT ISCHIA IL ONVENTO

Hi Simon,

Attached the menu from IL ONVENTO in Ischia. As I told you on the phone, this restaurant has only tables for 2/4 pax as they try to keep an intimate atmosphere. They are doing a big favour to me by arranging two tables for 12 people but I must give a confirmation by this evening.

I look forward to your reply

Ciao hello

Sonia
