Subject: Credit Card Declined

Hi Dave, Myla,

Just to let you know that we have been trying to run the card you supplied us ending in 3003 exp date 05/17 for the following amounts:

Dom Perignon invoice = \$4840 and wine invoice 715 = \$4149.81.

The card is showing declined for both of these transactions, and I think that Amex must see this as suspicious activity if your guest is presently in a different location.

Can you please ask her to ask her card company to authorize the charges?

Best regards,

Simon Manley
