Subject: John Bedminster did not get his truck with supplies on barge today/Propane Delivery Wed. hopefully

Just spoke to Mike. John Bedminster did not get his truck with supplies on the barge today...Dan Boyd's barge was available and Mike spoke to John this past Saturday as well as this morning but John did not make it happen. Dan Boyd's barge is available again tomorrow afternoon. I called John and texted him to please please be ready to get his truck/supplies on the barge tomorrow afternoon. I will follow up tomorrow morning.

Mike says Dan's barge will be available WEd. afternoon for the truck with propane to be delivered to the island. (Mike hoped tomorrow would work to get the propane over but the propane people must deliver to all the schools tomorrow)

(FYI-Stanley's barge is still not running.)
