Subject: Re: Bedminster at dock barge on way to make trips with supplies

I believe "LSJ holiday schedule" = 9D have our guys working tomorrow Wednesday, July 3rd but off on Thursday, July 4th

I spoke with John Bedminster...he will still work on getting more sand/supplies to the island and hoping to do the layout on Friday (but is not promising) If not Friday, then Monday for layout. He says he plans to 'push himself' and get the Flagpole Structure finished in 4 weeks. (reminder the island has a holiday tomorrow July 3 and of course July 4th)

The guys are on the dock waiting for the barge. I have two trucks loaded. As one return the other moves on to LSJ. Do you have any word on the payment request?
