Mike! I just left you a vm...we need to get on the flagpole shade structure ASAP. The Demo was done so now there is nothing...per our last conference call you confirmed Bedminster on the bid which is for labor only...have the roof and floor files been ordered? Did you discuss with Bedminster? How many days will it take them to complete the shade structure? It's possible Jeffrey goes to the island early July... please let me know if I can make some calls for you or follow up with anyone. thanks, Lesley
