Subject: Flagpole Shade Structure

Mike spoke with Rich last night and me this morning re the shade structure- please see below:

John Bedminster needs a smaller truck to fit on Dan Boyd's barge (the truck he loaded was too big/heavy)...as of this morning John is still working on securing a smaller truck to load up with the supplies...Mike hopes to use Dan Boyd's barge this afternoon or Monday so work can start early next week.

Mike says they can deposit sand/gravel/steel in the little parking area behind the pool to hide it.

Mike, please keep on top of John Bedminster and Dan Boyd...then update us. thanks=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
