Hi Jeffrey!

It's been a long time since we've crossed paths! I hope you remember me!!!! I just felt like saying hi and see how you are. I would love to come by to see you sometime. I have a family now, can you believe it? I've attached some pictures of me and my husband Ian as well as our little dark haired angel named [REDACTED]. I launched my jewelry line a few years ago. Spent a lot of time learning about different techniques but I am so glad I found my passion....times have been a little tough in the last year with the baby but if you hear of anything that could help my business that would be greatly appreciated! You can visit my website at [REDACTED]

I would be happy to offer you a piece for a special someone.....I've always had good thoughts for you and great memories. Drop me a line or call me if you feel like grabbing tea. I would be so happy to see you. My cell is [REDACTED].

My very best to you.
