You wanted to have this discussion my thinking is as follows , I want the best for you. you turned down my offer of security in exchange for being my partner. now you want the security anyway though you chose not to do as i asked. You and I have had a rough time, I have not withdrawn my support in any way though you checked out years ago . You ask if you can go the the dentist and doctors and in response I said of course, but once again , not even a thank you. I am loathe to have an argument with you. I will be leaving today for a few weeks. I want you to be peaceful.
