Hello Brian,

can you call me at your convenience? [REDACTED]

when is the next G2 initial going to start?

(6/9, but she isn't a US Citizen, right? If not, the TSA process takes at least (30) days and she will require CAT 1 approval, so 7/7 would be the first class she could get into.)

-how long is the training?

6/9 – 6/22

7/7 – 7/20

-will she be solo in class, or other students?

She will not be the only student, but at this time, I can't tell you how many people will be in the course or if she would have a partner.

-is there a longer class for slower students?

No.
