i have asked you to be careful in what you write , .. please. , why were you asked to leave in the first place,, ? just read our past emails.. i dont nag i just ask the same thing over and over , i dont nag i do nothing but ask the same quesitons over and over m no matter howmany times you tell me the exact sae thing,, i don;t nag , who are you toalking to , who is on skupe , who gave you that [REDACTED] breakfast, who are you thinkgina bout , who did you just talk to, why did you thank [REDACTED] you donpt thank me, (none of these every day petty nonstop quesitions relate to anything i did. while you were gone.. Yes , it might not work. i am aware of that, you have refused to ask for professsional help. you attack larry, me, joe, jean luc, [REDACTED], [REDACTED] etc. everyone s fault but yours. ---- i have not compared you to anyone else, as you asked, there has been no one here to disturb you, as you asked,, and still,, this is tedious. i love you , I have not attacked you compared you , in fact i tried to teach you things that might be helpful to your flying, in return, you have done exactly as you have done before the last three times i have asked you to leave. no change just more aggravation ,

I didn't nag , I only asked questions related to your liaisons while I was not here.
And your solution is to continue to do the same, tell me to leave, bring hookers in and the result in two months will be even worse. This is not going to work.

your reasoning that you feel justified in coming here and nagging me , every day is in your words because of my behavior for the past month . is ludicrous . i love you .. you were not here for the exact same reasons i have once again had to ask you to leave..
