Larry has tried only to help you. Yes, he wrote and referred to you as "slow". (I told you, the truth, maybe I should not have) I'm sure he meant inexperienced. However, once again you started complaining, nagging. I'm not going to that school, now see what you, Jeffrey, have done. Larry advised that simuflight would be more laid back. It appears ungrateful. No one has done anything TO YOU. People see what they see. According to you, it is my fault that they virtually all come to the same conclusion. Every girl hates [REDACTED], that is true. I defend her, that is also true. I also defend you. The difference is that you, continue to nag, nag, nag, nag. You have chosen to sit in your room, study the g2 manual, because you enjoy your hobby.--no contribution to me, no help, no support, only nag, nag, nag, nag, nag, nag, nag. [REDACTED] russians, bla, boah, blah. who, what, why, when. It appears as a poor attempt to ignore our real issues.
