pug,, Ive arranged for my guest to leave on tuesday night.. hope that works.. It would be helpful if your girl took a studio instead of 12 c, i would be able to accomodate people ive already promised a place , by doubling up in 12 c. I ve been through a rough patch, and realize that you and I can still depend on each other. I would have appreciated it if you simply told me about the issue . to say" this is what im going to do and i don't want an argument , is probably less than an optimal way to dialogue with me.. I am always available to talk. thanks
