Hope you feel better. John & I made it to just south of Gainesville yesterday and stopped about 9 pm. Was in lobby about 6:30 am letting John sleep and saw a spot on CNN medical portion of news about the ALS stem cord treatment Joe was talking about at lunch a couple of Sunday's ago.

Also saw the cap has not worked yet on the oil blowout. Time to invest in Russian natural gas and mideast oil, eh?

Rest. Relax. Get better.
