i did not think of [REDACTED], she works for the decorator . i realize you included not sending friends. it is improper to add things , after an agreement is reached. the agreement cannot be changed without consent. an agreement must have obligations of two parties. you left out yours. an agreement assumes the list is complete. if you like i will keep the list. for obvious reasons i have to be the only one.

-I included not having them send girlfriends after july; It is still contact and stories about your affairs linger around.
-July 21..how should I know the list is accurate if nobody I could confirm with will remember by then
-Mine said 35. Why did you change it to 30? [REDACTED], [REDACTED]

On July 22, 2010, every girl under 30 - other than [REDACTED] - whom I spend time with between May 21st and July 22nd this year, will be permanently removed from our lives. This includes me no longer having any contact with them. After this date, They will not stay at 301. They will not travel with me or stay in any of my properties. They will be told on july 22 I do not wish to have any contact or association with them after this date. They will be gone. No word games, no tricks !

I will make known to [REDACTED], on july 21 an accurate record of who these people are.
