i see your brother also feels no need to say thank you. I asked whether you would like a car service to pick him up, the only thing you said , was Yes I would like that.. not a thank you. either when it was organized or when it happened. You were here less than 12 hours. within the first half hour, you first said you shoudl n't have come. After organizing the plane ride for you, which you did say thanks, you decided that you didnt want someone riding with me , like "she was a girlfriend", then you said you didn't want her to know anything, then you said you didn't trust her, then you said you were leaving in the morning at 10. No questions as to who would be able to help. only thoughts about your pettiness, self-centered , disregard for my needs, .. There is no need for you to respond to this email.
