Spoke to F.
She called from NYC sounded like death.

Apparently the set up was orchestrated by Michael Loeb, the guy from the Hartmoor deal. The guy who introduced her to the "businessman"/reporter was a 75 year old friend from Pakistan.
No mention of Johnny or Martin (and I did not push yet on the phone).
Sounds all a bit strange...

She said she will have to stay away from PA, he has not told her so but she knows this is the case.
She asked me for help
She asked if she should go bankrupt now.

I told her that I can not advise her and need to think it over and speak to you first.
