hi jeffrey,

..i was thinking today that i was working for so long here and we didn't do any project yet.. i have the feeling that i didn't do anything even i'm working, and i feel embarrassed that i have to ask you to pay me.

so i was thinking maybe it would be better if i would take a brake for a while, one month or two, as long as we can not start any project: at the island we cannot do the ceiling because they have to do the cabinets first, and this is going to take some time..

and at the house at 71st st it seems we cannot start anything yet.. i feel somehow useless so if you want me to take a brake dont worry i dont mind

thank you,
ion
