Notice: Yahoo! Mail Plus Account Overdue Reminder (1 Week Before Service Is Cancelled)

Dear Jeffrey,

We attempted to renew your Yahoo! Mail Plus service but were unable to do so due to invalid billing information. **Please take action now. Your Yahoo! Mail Plus service is scheduled to be cancelled in 1 week if payment is not received immediately.**

To avoid cancellation of your Yahoo! Mail Plus service, please update the credit card information that we have for you online at <https://billing.yahoo.com>. In order to ensure proper billing, please make sure that the information is current, complete and accurate. If you don't want to lose the features of Yahoo! Mail Plus - enhanced spam protection, 20MB message size, and more, you should update your billing information now to avoid any interruption in this service.

If you have any difficulties accessing the billing information, please visit the [Yahoo! Billing Help Page](#) for assistance.

Sincerely,
Yahoo! Mail Customer Care
