petie,, have Simon try to push the BP role. You would accept a consultancy for advice, as role as either the new chairman, (they need to bring outside credible people , there is GREAT value to an outsider now.). BP should start its own investigative commiteee, you should chair it, be in charge of this crisis, in all aspects. Svanberg, goes on doing his real business. If Simon can't ,, I would consider either having Jes, do it. Ben do it , or Andrew.
