Good Afternoon,
I was told, I am to return to the Farm in Puerto Rico to tag more trees.
I want to be 100% sure that you want me to tag:
-80 more trees
(which along with the 20 I previously tagged would be 100 total trees)
* Also are All the trees to be Coconut Palms, Or do you want some other varieties as well such as; FishTail, Date Palms, Coco Plimoso, Robalini, etc.???

Please advise.
Thank You,
Igala Joseph
