Hi!!very good!!having lots of fun...yesterday I came 2 times!!first when he got down on me and 2nd during sex..but I was helping myself...still tho I was very shocked!!!!it felt AMAZING!!!thank u very much!!!!
Other thing is that Ben is much smarter then I thought..I knew he is smart but not that smart..he was like why did I take a shower every time before I went to see u..and stuff like that..he said that he trusts me but he is just afraid smth is gonna happen in a future..I realized its all my fault the way he feels cuz since we were dating I ve been talking about u all the time! That Jeffrey helped me w this and that and bla bla bla...
