Just told Dana and she said Eva Lorenzotti? Which Eva?

Great grandson of Picasso just came aboard - will get more info- he wrote a book about Picasso and his sister lives with
French Jewish photographer Gilles Bensimon. She moved to NY because she had a robbery of hugh paintings while
she slept with Gilles in her Paris apt. Police found both paintings!

We had to leave our berth a dock...to anchor in harbor for next two days...very windy. On way to 55 right now for
lunch...more to come.

Went to Joe Ruben's last night...saw [REDACTED] What happened? She blew up!
She was in a white jump suite and a dog collar. What was she thinking? I have been told by my friend Marjorie
Gubelmann who was on the Delta flt over with her that she is obsessed with you. Oh my God.
More to come.
