you stand at the door to the cabana and don't want to come in,,, you sleep on the landing, you get up and abruptly leave when Henry is there, I ask "are you cranky "almost everyday,, Jenn has left, V has not come, I have kept my promise , i do not want to have a blow up,, i can't sleep , there is no sex - fun, freedom,, you mope aorund day after day, you go flying, I have many things to catch up on , lawsuits , the island, the legalities of my new circumstances.. It would be great if you would give me a facial,, as i have preioulsey asked in my last rendition of" it would be great" with the same results (none!) It would be great if you would make sure the dog is trained by the end of this month. asking me to send her away , is not fair, I am walking on eggshells that you don't fall into a worse, mood, i need togo to the office to get away from this atmosphere, it is wrong. I'm not sure what is disturbing you now. tell me, I fear the fact that others actually do things ,that are kind and helpful upsets you. IT would be great if you would feel good if others were doing what little they could to make my life nicer . IF you are unhappy we should talk about it,, go see christine.. , take someting for it . I'll help..
