does " bumpy ? say it all.... do you see a new attitude,,,realism ? more confusion? fear?
education vs, training?

Dear Jeffrey, I understand that you are now back in civilization, full time. I hope that you are fine and enjoying sleeping where you want to sleep rather than where you have to sleep Overall. Things are fine with me and my worki, though I am having a bumpy recovery from [REDACTED] surgery almost three weeks ago -- I recommend against such surgery! Hope to see you before long, best
Howard
