Jeffrey,  
Jack texted me last night asking if we are still interested?  
Just checking with you on what I should be doing in response ?  
I told Jack we would have spend 500k getting to our comfort level with interior and paint, and having 19m total invest in 502, was high, I also told Jack, I wasn't happy about this being the second GV built, that it concerned me for later resale, and that 547 even though more money may be a better play.
