what you dont seem to understand is that if you are going to cook you have to wake up at 5 30.. not 615,, i told you about the door in the guest area this morning you ask so what should i do.. I have asked over and over again, when i tell you something needs to be done,, it is today... you did nothing and then couldn't figure out for yourself what to do , I DO NOT WANT TO be involved.. I asked you for the labels on the pots, twice, i wrote it down, i went over it with you , i then asked again if it was done you said yes you told jinky,, Had i done it myself it would have been done in less than five minutes, There is no fresh bread, who went shopping , what were they told,, you want responsibiliyt ,,, the house runs like shit.. HAM and Eggs., nothing last night for dinner,, No thought , just can i buy flowers. HOW crazy. Organize [REDACTED] at 4 or give me the number and stay out of it. so any trouble will be mine.. seperate from watching movies which is great, there is little difference from being in jail.

I ask you every morning if you want me to cook something. Your answer is oatmeal every day. You are right, there is no need for me to get up at 6 to boil water with oats but that's what you ask for. Not my idea. I could make anything you marked in that book..

if you were going to make somethig decent for breakfast doesn't it make sense to have it organized, cooked or at least shopped thought thorough before i actually start breakfast.. this is so silly. I don't need you to spill the oatmeal in the pot that [REDACTED] has boiled. HAM AND EGG LIFE IS NOT FOR ME>

you wanted [REDACTED] to do her ticket she did, and then you want to involve me.. you come to me at 10 30 and after emailing me, and getting a request for suggestions ,, you interrupt my workout and ask me the exact same question after i spent time with you and a book of ideas. .. then tell me its too late if i want something involved.. I DO NOT WANT TO BE DISTURBED IN THE MORNING> .. after 730.. You can ask me what you like between 6 and 7 30 . for the day unless something arises I DO NOT WANT TO BE DISTURBED. if you want to set an evening time fixed like visitation you can ask me questions.. There are too many things for me to do
