leon black has a guy named steve martinez; dimitri is doing a deal with apollo and hasnt met black
but dl's guys think martinez was sent over to london to check up on them and make sure they are ok etc

dl wanted black to know that he is ok and figures all NY jews know each other -- which in this case is right

please do me a favor and make one more call to leon; this deal is very important to dimitri and dimitri is about as straight and serious a guy as apollo could ever want
