The email should read as follows.. I have spent many hours reviewing with Alan and his wife, the incorrect billings. On april 7 , 2009 I asked for back up for the 1/2 07 invoice.. I never received it. We paid 178,000 , on your instructions but no back up followed. We show in our records that alan had gone to Europe the first week in dec, and had a kidney stone surgery the second week. We have all the emails from him during that period , and they are few.. I have received three pages of illegible writing. that only relates to prior to july 06.. I have reviewed and re-reviewed the numbers,, He has billed for hours outside of cambridge, but has shown no back up.. trips to new york were not included in the lewis and tein bills.. are they rightly included here. I have a total of the calculation in the iolat account and ti have previosly told them on more than one occasion that it included the 100 k for his brother.. I have not received any invoices for 09, as you had suggested.
