I reviewd our notes. no rules. meant no rules.. if you violated the agreement and started to complain , you would have to leave for two weeks beginng the next day by 12 . THat was not an exception to our deal it was the consequence fo doing exactly what you did this morning.. IF I violated it by bringing up the past you got to ask five questions.. If I were able i would have gone away for the week . since i can't travel, I still need my time to do as i please. you cannot say you can only have certain people visit you if i'm there...
