what meeting., where , when , why,? has she made a proposal, ? make sure any communicatin in writing is overly geneorous , I really look forward to us being able to reach a fair resolution. I have yet to see a proposal, and would like to avoid what could become an emotionally driven event for the both of us. In that regard , at this time , i suggest we leave this to the lawyers , and see if they can resolve any differences we might have. This period of time has been difficult for the both of us, and would aim for a forward looking solution .

Jeffrey,
Mrs. MLD contacted me directly on my phone per sms asking that she wants me to join the meeting as principals and she would like to have jacques(ceo of louis dreyfus) attending the meeting as well as she says finding a compromise. I still think the lawyers should work out the proposals first no? It could only be an emotional showdown
Would love to know your opinion
Bkiss
