theft is the taking of another person's property without that person's freely-given consent. The word is also used as an informal shorthand term for a crime against property, such as burglary, embezzlement, larceny, looting, robbery, shoplifting, fraud . Someone who carries out an act of theft is known as a **thief**, and the act of theft is known as **stealing** .- and you have the courage to call my behavior "disgusting"

Good bye!
I am disgusted by your behavior. You went too far this time.
