My friend's flight is delayed and will not get in till 1 am tonight/tomorrow.. I have a conference call here at 1230 I have to take, so that means we probably couldn't get out till 130 or so at the earliest.. This leads me to suggest that it might be better for us to come by on thurs.. we have to be at the cruise ship in Fort Lauderdale before 4 pm.. but if we could be picked up, say at 1030 or so, we could then stay there till, say 230 and perhaps get a lift to the dock from there.. But we can do it either way.. will check my email in the morning.
