I find it easier to email you, ---putting a paper mask on while watching tv, is hardly " a facial" , could it be any less of an effort. i don't think so. The absolute bare minimum. you can now say, hey i asked!!.. Telling me the food was bought at carmines, as the answer to why is the shittiest of granola , in the cabinet.. shows no understanding, of quality, , there are great granolas stores, you chose the easiest , - dawn told you she cooks, did you ask her for ideas.? No I did. I told you [REDACTED] knows how to make omelletes, you don't want to ask her. Beside putting on heart undies. , what did you do. you got very upset when [REDACTED] wore you socks. you were planning on using them, I've said nothing all week,, you put on underwear. THAT IS IT. That is what you actually do.. Yesterday, I had guests at the house. [REDACTED] was not there, you were not there... I was serving , drinks. answering the gate and phones, no food besides a chicken salad that i have refused to eat four times.. IT IS DISGUSTING> DISGUSTING>
