IT has no thought , attention quality,, i once again made my own breakfast, while you slept, and i ask you what you contribute,, YOU did get bagels.. what is to go on them.. did you ask, no, did you suggest no, did you ask anyone no,

I would have taken the checkride if you didn't start a fight. That's a fact. I had 3 short flights here in 2 weeks - that's 1 day of training on the ranch - and I am ready to take it. We wanted to schedule it for tomorrow but the examiner was not available so I will have to come back, do another flight with brad ,since I will not have flown for a week, and take the test on sunday.

If you don't care where the food is bought why did you yell at me when I went shopping at publix and then you made up a rule that nobody is to buy food there for you again.

Sarah brakes the rule and you reward it, I don't and you announce my granola is shit before you even open the box because it looks different than the publix granola you ate before. But I don't need to tell you; you have to see it..its so obvious, just think about your reactions

again you don't seem to understand the essence of what i am saying.. i DONT care where it is bought,, nor should you.. i want good quality. period,, your granola was shit,, did you taste it,did you taste sarahs.. it is that simple,, you serve me shit day after day,, i ask whether you tasted the disgusting toast. the answer was no,, though for at least 50 times I've asked you not to serve me garbage that you haven't tried. i realize you will then say , but O tasted the pea soup and it was fine.. I have no opinion where the food is bought. i don't care,, it is the food .. i an not sure why you find this so difficult.. the food you have made recently and bought in the store , sperate from the saugage and peppers , is awful... period,, I would like to say thank you,, tell me for what. for you offering me a la mer mask to put on my face, for you admitting that the omelletes you made were even in your words , not good . no you chose to serve it to me,, the first one was not good, so you made it a little better and served it to me ,, how crazy,, just say,, I can't do it,, would you like something else. , you tell me the only reason you didn't get your check ride in new mexico was that you had two days of arguing, its been two weecks since you have been back,, no check ride,, just say It appears I AM not ready , as my e mail

suggested,, trying to mask your incompetence , makes it much worse.. thank you

What's health foods? Are you talking about whole foods?
I just spoke with sarah to see where she buys this special granola for you..
PUBLIX ! The greek yogurt and fruit she gives you - all from PUBLIX! And you tell ME I don't understand quality. I looked for a healthy granola at the best stores and actually spent time getting good food for you. You yell at ME without having any facts you assume the shit granola you had from sarah must be top quality...just like Marina market eggs Lance was feeding you instead of fresh. When are you actually going to realize I put more effort into finding good things for you than the people you use as examples. This is unbelievable! You have an opinion about where the food is bought when you haven't been to grocery stores and compared them in what - 2years, 5, 10 ? I do it 4 times every week and I do not shop at publix and pass the food to you as the best quality healthy food I can get. And instead of a thank you, you start fights with me without knowing the facts.
