take today off. The majority of time, I can learn things helpful to you, practice cooking, give you facials, rub your head, run errands, entertain your female guests or anything else I describe below

When you ask for something I will do it right away or let you know if I can't.

I will read one of the great books every six weeks.

I will continue to exercise at least 3x a week, Probably more (except when sick or on my period)
