you should consider showing your email to Tina,, once again, you are very clear about what you want , without one iota of what you intend to give. getting without giving sound familiar.. flying was the same , I encouraged , helped organize, put larry at your disposal, and now you refer to it as another issue to which i didn't support.. our views are very very different. ask tina whether she thinks you believe you are now "entitled "to a baby along with your other entitlements. and if that view will likely get us very far
