To JEE

Attached is a spreadsheet that was FedEx to you Friday, 11th of December 2009.

Do I have your approval for the recommended Salary increases for those employees highlighted in red?

The Retention of these employees is critical to the operational support behind construction on LSJ.

In a nutshell, I need to inform these employee's today before I leave the Island, otherwise they will not be here upon our return in 2010.

Brice
