I am meeting him next week as he doing a huge real estate deal and wants me to help with upgrading the assets he is about to buy.....
He also has some huge real estate project...something about purchasing on or several distressed rental portfolios...he was just in Moscow talking to someone who wants to invest in this deal...I think you two would really like each other and thought I might introduce you when you are back next week....he can also give you comfort and insight into my big project capabilities as he was the guy who hired me for hard rock.We worked hand in hand and I was even invited to most of the board meetings so as to help with project planning sessions.
I was his eye on the ground.
Can I bring him to see you for 30 min

Thanks
