I had just walked into customs and read your email, i rushed outside , to try to get you money today . i immediately told rich to handle. it. in response if this is simply your attempt to control me with money, I promise you it will not work. I find this embarrassing and I will not ask you for money again. Ever. I can get it somewhere else. the fact that we spoke about your past spending, was to illustrate that it was out of control. now you tell me i should have known you had no money.. this is not very nice
