I told Jessica to get the subpoenas out today. This is her response:

I understand that as well, but the people are in Miami and Ft. Lauderdale and the offices close at 5 so it would be paying someone to drive there for no reason. They have just been finalized and re-edited, blah blah blah, and I just found Brad's correct home address. The process server is meeting me here at 9 am to get and take them straight there. I can send him now but he wont make it to Miami by 5 or Lauderdale for that matter
