hi jeffrey,

..i made some samples for the fifth floor. we have that hallway with no fabric on the walls so we might be able to start that right away. i'll send the samples to you tomorrow. beside this i saw last days in an antique store close to where i live some very nice pieces of furniture, similar to the furniture in pinto's book. they just opened the store and its pretty cheap. they dont have a website yet.. but i'll take some pictures of the furniture and i'll e-mail them to you..you might like them.
