1. The majority of time, I can learn things helpful to you, practice cooking, give you facials, rub your head, run errands, entertain your female guests or anything else I describe below... I am uncertain about how else I can be of help right now after not having seen you for 6 weeks. I am not sure if your routine has changed so I need you to tell me what you'd like me to do when I am with you. /// I have suggested that to make this work, as i love you so much please just offer to help is there anything i can do, ?, last night , i come i tell you i am sore. you know i am working out. no offer of help , bath, facial snack, boppy nails, fun only [REDACTED] and the slovakian police. i am sorry that you view my attempt at helping our situation by suggesting someone other than me ,with maybe more sensitivity might be able to help us communicate. as me wanting [REDACTED] to fix you.
