i wanted you to have a record of last nights conversation. I am respectful that you want to be your own person.. lets do it. everyday your questions revolve around when do i get MY time, MY day off, MY flying. . I tried to use the code word T...C , as per your suggestion but you refused to stop. multiple times - well that didn't work. [REDACTED] list of who, for the past two years. --v=, z=/ i asked about visitation , two times.SILENCE great book,no,- massage-no change , hair- no change head massage 10 minutes than off to do something more important- movie activity- i might as well be alone. . nothing really has changed, nothing ,except you no longer want to speak to [REDACTED]. i have sent my daily schedule more than once so today asking me at 625am is not helpful. The night before,yes.[REDACTED] I know you don't mean harm, I have a limit of how many opponents i can take on at the same time.
