Dear Jeffrey,

There are two carpenters still working on the completion of the wood work and two finishers/painters preparing the woodwork for staining to start on Tuesday. The room is a construction site with saws and hammers. The floor is protected with plywood like you saw on your previous visit. JP should look at the nearly completed wood work and review the proposed finishing of the wood. The furniture cannot yet be placed in the room, the furniture plan is not complicated, I will forward you a copy. Regards,
Doug
