Met with Hernando de Soto, supposedly one of the world's great living economists
Really disappointing, seems like a scam
He has one good idea that seems like common sense and not entirely creative
Plus he asked me out, gross

I've been reading through the foreign patent filings in other countries and have come across some super killer things. We should talk about them just for fun because they are neat. Some very practical. A few I think could be adapted to be practical, anyways.

Boris is back from Davos. Wednesday we will be at ISF with Nathan and George Whitesides. Should be interesting.

What are you up to?
