Jeffrey,

The Bentley radiator cracked and needs to be replaced the cost will be around \$ 2,900 installed.

This is the second time this has happened we will be looking at the garage to see where they are parking the car and try to figure out why this is happening and if we need to find a different garage we will do so.

I will check with Rich to see if we can make an insurance claim or not.

Do I have your ok to go ahead and get this fixed?

Thank you
