you have a different memory obviously. you laughed about it then, that is apart from the fact that we made a deal that you would stop nagging and i would do my best. after gettting out of jail. we i agreed . Your version, of the deal is preposterous , was that you would agree to stop nagging only if you were actually pregnant makes no sense whatsoever, none , could you imagine me agreeing to be nagged for a year or more until we got lucky, i do not want to argue I lived up to our agreement but you like almsot every agreement you proposed did not..
