Deal:

- combine 3i and ICG.
 - inside deal: private discussion with Michael Queen, 3i plc CEO (*my friend Robert discussed this with him yesterday. I want to make Robert part of JEDS - your private/"secret" London office to be established soon...*)
 - friendly deal, has been discussed amongst the two CEOs for some time. Both feel now's the time and the ICG CEO is looking to retire, but believes 3i combination would offer much better home than stand alone (and probably puts him in the news before he goes...)
- JEE: interesting for us ? What structure would be of interest ?
