If i were you, i would beg borrow and steal to get joes attention on your deal. I realize how difficult a period this is for you. Im sorry. If it were me, i'd offer to give away a signifigant portion of your stock, in exchange for someone saving it. not me, and i don't know if joe would do it. the language of deals is not the language of science. the alternative is to have your father try to sell the co or the family interst. he speaks the language although i recognize other issues involved.
