Jeffrey Aden had some thing happened with his son leaving for Africa or something so he cant meet today However he will be with us tonight at the opening of the show The Adams Family.I want you to meet him and as a capricorn nothing is too big that I cant get around it,So tonight you can go to the show with Somers and talk to him as Somers had them invited both to the show and after party.Somers has agreed as she knows how important our friendship is And she is very close with Fizzi Adens wife obviously.So sometimes things dont work out in a straight lone but the result is the same.Let me know if this works for you .Aden will definitely be there tonight as he told me so when he told me about his sons interference with his plans today.best,Jonathan
